ACHIEVEMENTS

2016 Created and founded the first underwater museum in Europe and the Atlantic Ocean

2014 Created the largest underwater sculpture ever made in Nassau, Bahamas, weighing over 60 tons at 5 metres high.

2011 Co-founder and creator of MUSA (Museo Subacuático de Arte) in Cancun and Isla Mujeres National Marine Park, Mexico. Described by Forbes as a “Unique travel destination” and contains over 500 of Taylor’s sculptural works.

2006 Founder and creator of the world’s first underwater sculpture park in Moliniere Bay, Grenada, West Indies. Several years later it was listed as a “Wonder of the world” by National Geographic and was instrumental in the coastline being designated as a National Marine Protected Area.
